

Those with a Fever, Those with a Cough, please let us know at the front desk.

Wait with a mask on as there is an influenza epidemic.
And if any of the following holds true with you, please let us know in advance.

In the past two weeks :

- You have been to Hubei Province (Wuhan City) in China ;
- You have been in contact with “someone who has been to Hubei Province (Wuhan City) and has had a fever and cough” ; or
- You have been in contact with a visitor from Hubei Province (Wuhan City).

(Note that these standards are subject to change.)

Hospital Director
